

Artem Tregubov

.Net Developer

I believe that a person must always move forward, develop, improve, learn something new.
I'd rather spend time on an open source project than lying on the couch and watching TV.

Experience

2016-05 - present	.Net Developer <i>OneSystems</i> Develop USA Insurance Policy Management. A lot of different technologies for front-end, back-end, build\deploy, etc. It is an application with non-trivial logic and complicated architecture.
2013-11 - 2016-03	.Net Developer <i>NOVEO</i> Develop WPF \ windows phone \ Windows 10 applications Learning a lot of different technologies
2012-12 - 2013-11	Mobile developer <i>IT-TOP</i> Creates application and games for mobile platforms

Education

2009-09 - 2014-06	Novosibirsk State University, Bachelor of Computer Science
2014-09 - 2016-06	Novosibirsk State University, Master of Computer Science.
2016-09 - present	Novosibirsk State University, PHD of Computer Science.
